 - a. Name of minors: Use only the minor's initials

3. Federal Rule of Bankruptcy Procedure 1007 requires individual debtors to "submit" a verified statement that sets out the debtor(s)' social security number or state that the debtor(s) does not have a social security number. Local Bankruptcy Rule 1002-1 requires individual debtors to submit a copy of (a) picture

identification card and (b) the debtor's social security card. The submission of this information in the Electronic Case Filing System does not constitute a "filing" with the court, and this information is not part of the official public court record. Access to this information is restricted, and it is not available for public viewing.

B. Filing

Effecting an electronic filing, via the Internet, in accordance with these Administrative Procedures shall constitute entry of that filing on the docket kept by the Clerk's Office under Fed. R. Bankr. P. 5003. All orders, decrees, judgments, and proceedings of the Court will be entered in accordance with the Administrative Procedures, which shall constitute entry on the docket record kept by the Clerk's Office under Fed. R. Bankr. P. 5003 and for purposes of Fed. R. Bankr. P. 9021.

WHEN A DOCUMENT IS FILED ELECTRONICALLY, THE OFFICIAL RECORD IS THE ELECTRONIC RECORDING OF THE DOCUMENT AS STORED BY THE COURT, AND THE FILING PARTY IS BOUND BY THE DOCUMENT AS FILED.

1. This court is a mandatory electronic filing court.
2. Unless allowed by the court for good cause, registered participants shall file electronically all petitions, motions, pleadings, briefs, memorandums of law, proof of claims or other documents required to be filed with the Court in connection with a case.

C. Pro Se Filers

Pro se filers shall file fully signed paper originals of all petitions, lists, schedules, statements, amendments, pleadings, affidavits, and other documents, which must contain either original signatures or verification by unsworn declaration under any applicable rule or statute. D. Signatures and Service

The use of the participant's login/password shall constitute the signature of the participant as set forth in Section VIII. Each registered participant shall effect service as set forth in Section IX(B).

E. Correcting Documents Filed in Error

1. Once a document is submitted, and it becomes part of the case docket, corrections to the docket or the Electronic Filing System are made only by the Clerk's Office or as the Court may direct.

2. A document incorrectly filed in a case may be the result of posting the wrong Portable Document Format (“PDF”) file to a docket entry, selecting the wrong document type from the menu, or entering the wrong case number. PLEASE **DO NOT ATTEMPT TO REFILE THE DOCUMENT!**
3. As soon as an error is discovered, please contact the United States Bankruptcy Clerk’s Office at one of the following numbers: Alexandria Office, (318) 445-1890 or (866) 356-5221 (toll free); Lafayette Office, (337) 262-6800 or (866) 789-6015 (toll free); or Shreveport Office, (318) 676-4267 or (866) 721-2105 (toll free). Be sure to have the case number and document number for which the correction is being requested. If it is appropriate, the Clerk’s Office will make a special entry that indicates that there is an issue with the filing. You will be advised if you need to withdraw and/or refile the document. The System will not permit you to make changes to the document(s) or docket entry filed in error once the transmission has been accepted.

IV. ORDERS

A. Form and Entry

All orders, decrees, judgments, and proceedings of the Court will be filed in accordance with these rules, and such filing will constitute an entry on the docket kept by the Clerk of Court under Fed. R. Bankr. P. 5003 and 9021. Orders will be submitted in such form as the Court may direct. Orders presented for entry should not state that the document is "proposed" in the body or caption of the order. All signed orders will be filed by the Court or Court personnel. Any order filed electronically has the same force and effect as if the judge had affixed the judge's signature to a paper copy of the order and it had been entered on the docket in a conventional manner.

1. Claims and supporting information are required to be filed electronically, unless otherwise directed by the Court.

 - a. There are two options available for electronically filing proof of claims.

 - c. Documents submitted to the Court without a self-addressed stamped envelope will become the property of the Court and will be discarded after 15 days. The clerk will not assume the responsibility of party filers to retain documents.
3. Official Form B410 is required. This form is available at the United States Courts website, www.uscourts.gov located under Forms & Fees.
4. For detailed information regarding claims, please refer to the Fed. R. Bankr. P. 3001.

VI. DOCUMENTS TO BE FILED UNDER SEAL

A motion to seal may be filed electronically; however, the actual document(s) to be filed under seal shall be submitted manually to the Clerk's Office only after the order has been processed. Please see Local Bankruptcy Rules for information related to Sealed Documents and the Disposition of Sealed Documents. Please see Bankruptcy Rule 9037 for additional information on redacted filing and filings made under seal without redaction. The order of the Court authorizing the filing of such document(s) under seal will be entered electronically by the Office of the Clerk. The filing party shall then contact the Clerk's Office for directions on providing the documents to be filed under seal.

VII. RETENTION OF DOCUMENTS

The attorney of record or the party filing any document in a bankruptcy case shall maintain the original signed document(s) for at least five (5) years after the case is closed. Upon request, the original documents must be provided to other parties or the Court for review. *See* Fed. R. Bankr. P. 9011.

VIII. SIGNATURES

- A. Use of the participant's login and password constitutes the participant's signature for all purposes for documents which are required to contain original signatures.
- B. Any document containing original signatures shall indicate on the electronically filed document a signature by noting "/s/ Full Name." Example: /s/ Jane Doe. The originally

executed document shall be maintained by the filer. **Signatures entered electronically through the use of an electronic signature program are not acceptable unless approved by court order.**

- C. Except as provided otherwise by the Administrative Procedures, all pleadings and other documents including motions, petitions, lists, schedules and statements, amendments, pleadings, affidavits, and other documents that contain original signatures shall be filed electronically.

Each electronic filer shall execute and file, no later than forty-eight (48) hours following the date the petition was electronically filed, a Declaration Re: Electronic Filing of Petition, Schedules, & Statements form. The signature for this document must originate as a wet signature.

- D. The following procedure applies when a stipulation or other document requires two (2) or more signatures:
1. The filing attorney or party originating the document shall initially confirm that the content of the document is acceptable to all persons required to sign the document and shall obtain the signatures of all parties on the document. For purposes of this rule, physical, facsimile or electronic signatures are permitted. A document may be signed in counterparts. Fed. R. Bankr. P. 9011.
 2. The filing attorney or party shall file the document electronically, indicating the signatories, e.g., “/s/Jane Doe.”
 3. The filing attorney or party shall maintain the original signed document as set forth in Part VII.

IX. SERVICE OF DOCUMENTS

X. TECHNICAL FAILURES

The United States Bankruptcy Court for the Western District of Louisiana's Electronic Filing System may be subject to unexpected technical failure and down time on any given day and may be unable to accept filings during this time. - A. Problems in the participant's office, such as phone line problems, problems with the filer's

Internet Service Provider (ISP), or hardware or software problems, will neither constitute a technical failure under these procedures nor excuse an untimely filing. A filer who cannot file a document or submit an order electronically due to a problem in the participant's office must file an original document manually at the Clerk's Office or should contact the Clerk's Office for guidance.

- B. A participant whose filing is made untimely as the result of a technical failure of the Court's System may seek appropriate relief from the Court.
