**STANDING ORDER REVISING UNIFORM PLANS OF REPAYMENT
AND POST-CONFIRMATION AMENDED PLANS FOR CHAPTER 13
CASES FILED IN THE SHREVEPORT DIVISION
OF THE WESTERN DISTRICT OF LOUISIANA**

On March 5, 2010, a Uniform Order was entered that was signed by all three of the Bankruptcy Judges of the WDLA. This Uniform Order set forth a number of mandates regarding uniformity of fees charged in Chapter 13 cases District wide. Subsequent to the entry of the Uniform Order of March 5, 2010, this court issued and entered on March 25, 2011, a STANDING ORDER REVISING UNIFORM PLANS OF REPAYMENT AND POST-CONFIRMATION AMENDED PLANS FOR CHAPTER 13 CASES FILED IN THE SHREVEPORT DIVISION OF THE WESTERN DISTRICT OF LOUISIANA. Subsequent to the March 25, 2011, Standing Order of this court a number of changes have been implemented in the Bankruptcy Rules regarding Home Mortgages, Creditor Home Mortgage Claims and Adjustment of Home Mortgage Payments. These changes regarding Home Mortgages and the ever present need to update the Uniform Plans have necessitated the revision of the Uniform Chapter 13 Plan and Uniform Post Confirmation Amended Chapter 13 Plan for the Shreveport Division of the WDLA.

The foregoing considered:

IT IS ORDERED that commencing February 1, 2013, Debtors' counsel practicing in the Shreveport Division of the Western District of Louisiana shall be required to use the following Uniform Pleadings:

- (A) **DECEMBER 2012 UNIFORM CHAPTER 13 PLAN** (2012 Plan) and **DECEMBER 2012 UNIFORM PLAN COVER SHEET AND CHAPTER 13 PLAN SUMMARY** (2012 Plan Cover Sheet & Plan Summary). The 2012 Plan Cover Sheet & Plan Summary is the first six pages of the 2012 Plan. The 2012 Plan and the 2011 Plan Cover Sheet & Plan Summary shall be filed as two (2) separate CM/ECF documents and the Bankruptcy Noticing Center (BNC) will notice out the 2012 Plan Cover Sheet & Plan Summary, provided same is kept to no more than six (6) pages. Debtors' Counsel will continue to file the ***ADDENDUM TO CHAPTER 13 PLAN APPLICATION AND NOTICE FOR ATTORNEY FEES*** (Fee Addendum) which is referred to in the 2012 Plan Cover Sheet & Plan Summary as being filed in support of the legal fees requested in same. The 2012 Plan is attached hereto and marked **Exhibit A**, the 2012 Plan Cover Sheet & Plan Summary is attached hereto and marked **Exhibit B** and the 2012 Fee Addendum is attached hereto and marked **Exhibit C**.
- (B) **DECEMBER 2012 UNIFORM POST-CONFIRMATION AMENDED CHAPTER 13 PLAN** (2012 P-Con Amended Plan) and **DECEMBER 2012 UNIFORM POST-CONFIRMATION CHAPTER 13 PLAN COVER SHEET &**

AMENDED PLAN SUMMARY (2012 P-Con Amended Plan Cover Sheet & Plan Summary). The Debtors' counsel usually notice all amended Plans and counsel will be allowed to file the complete 2012 P-Con Amended Plan as one CM/ECF document and then file the first six (6) pages of same (or however many pages the Amended Plan Cover Sheet & Plan Summary actually is) as the 2012 P-Con Amended Plan Cover Sheet & Plan Summary as a second CM/ECF document and then notice only the 2012 P-Con Amended Plan Cover Sheet & Plan Summary to the required creditors and parties in interest. The 2012 P-Con Amended Plan is attached hereto and marked **Exhibit D** and the 2012 P-Con Amended Plan Cover Sheet & Plan Summary is attached hereto and marked **Exhibit E**.

IT IS FURTHER ORDERED that 11 USC §1323(b) and §1329(b)(2) will be strictly enforced and no "piece meal" or "partial" modified plans will be allowed or considered for confirmation. All plans filed shall be complete four corner plans that stand on their own and do not rely on provisions of previously filed plans to make them complete.

IT IS FURTHER ORDERED that because uniformity is the desired goal that substantive changes in the 2012 Plan and 2012 P-Con Amended Plan Cover Sheet & Plan Summary will not be allowed. It is possible that special needs will exist in unique cases where it is necessary to revise, amend or supplement Section III or IV of the 2012 Plan or the 2012 P-Con Amended Plan. If such a special need arises and counsel does make any revisions, amendments or supplements to Sections III or IV of the 2012 Plan or 2012 P-Con Amended Plans, then those revisions, amendments or supplements shall be noticed to the creditors or parties in interest impacted by same and that Notice shall, at a minimum, consist of a concise summary of the revisions, amendments or supplements being set forth in the noticed Plan Cover Sheet & Plan Summary of the 2012 Plan or the noticed Plan Cover Sheet & Plan Summary of the 2012 P-Con Amended Plan and such concise summary shall be set out at the bottom of the Plan Cover Sheet of the Plan Summary in an area to be noted: **Special Provisions and/or Changes to Sections III or IV of the Uniform Plan:**.

IT IS FURTHER ORDERED that non-compliance with this Standing Order will result in fees for debtors' counsel either being denied or reduced and confirmation of any non-compliant plan being denied under 11 USC §1325(a)(1) and §105(a).

III. GENERAL PLAN PROVISIONS:

(A) ALL SECURED CLAIMS

NOTICE: Objections to secured claims (*See - Section IV*) Any opposition or response to the bifurcation of the Claim as set forth herein must be filed within seven (7) days prior to the hearing on this objection and confirmation hearing. If an opposition or response is timely filed, a hearing will be held on this objection to the claim at the same time, date, and place as the confirmation hearing on this Plan.

(1) PLAN VALUATION IS AN OBJECTION TO CLAIM.

To the extent that this plan values collateral less than the full amount due to the secured creditor, this plan includes an objection to said claim for the purpose of determining the amount of the allowed secured claim and determining the remaining allowed unsecured claim. *See Section (IV), infra.*

(2) BIFURCATION OF CLAIMS FILED AS “SECURED”.

To the extent that there exists an allowed unsecured portion of a claim otherwise filed as secured, such unsecured amount shall be treated as a non-priority unsecured claim and paid *pro rata* with other non-priority unsecured claims.

(3) CERTAIN CREDITORS TO BE PAID EVEN IF NO APPEARANCE MADE.

Unless otherwise specified or ordered by the court, any claim listed as secured in an amount greater than \$3,500.00 shall be paid by the Trustee according to the terms of this plan without the necessity of such creditor filing a proof of claim, objection, or otherwise making an appearance before the court, provided adequate information to make the distribution has been provided to the Trustee. Unless otherwise specified or ordered by the court, the Trustee: (i) shall not disburse to any secured creditor with a claim in the amount of \$3,500.00 or less unless a claim is filed; and (ii) shall not disburse to any unsecured priority claim creditors or general unsecured creditors pursuant to the terms of this plan unless a claim is filed.

(4) ALLOWED SECURED CREDITORS RETAIN RIGHTS.

All regular monthly home mortgage payments will be paid either by the Trustee or directly by the debtor. Unless otherwise stated, these payments will only maintain the home mortgage payments during the term of the plan and the obligation and security on the same shall survive the bankruptcy, subject to any payments made. Any creditor secured only by a security interest in the real property that is the debtor's principal residence shall retain all rights granted to it under its mortgage or security agreement except that any prior default shall be cured as set forth in this plan. The holder of a claim Secured by Movable Property or Real Estate where 11 U.S.C. §1322(b)(2) is not applicable, which is provided for in this plan, shall not receive more than the pre-computed sum in the Total Payment column. Nothing herein will prohibit the debtor from prepaying the claim without penalty provided the interest accrued on the “PMSI Amount” or “Value/Claim Amount” is calculated on a simple interest basis. The holder of an allowed secured claim (other than a home mortgage claim) shall retain the lien securing its claim until the earlier of payment of the underlying debt determined under nonbankruptcy law or discharge under 11 U.S.C. §1328. With respect to each allowed secured claim provided for under Section II. (B)(3) of the plan and where the full Total Payment amounts have been paid, the entry of a discharge under 11 U.S.C. §1328(a) shall entitle the debtor to obtain an order by *ex parte* motion directing the holder of such claim to cancel the lien and turn over the title to the debtor.

(5) SURRENDER OF COLLATERAL OR REJECTION OF EXECUTORY CONTRACT LIFTS STAY.

To the extent that this plan proposes surrender of collateral or rejection of an executory contract, upon confirmation of the plan, debtor agrees that the 11 U.S.C. §362 automatic stay be lifted as to these items, to allow any creditor holding a security interest in the items to pursue its rights to the collateral. Unless otherwise provided herein, any surrender shall be deemed in full satisfaction of the secured claim,

determined by the actual claim filed or if same is inconclusive by the value set on such property in the schedules filed by Debtor. Nothing herein is intended to abrogate debtor's or creditor's state law contract rights. If a creditor prevails in maintaining the right for an unsecured deficiency claim, nothing herein shall release any creditor from complying with all applicable state and federal laws.

(B) CLAIMS SECURED BY REAL ESTATE

(1) STATED MONTHLY PAYMENT & PRE-PETITION ARREARAGE IS ESTIMATED.

Any monthly payment or arrearage amount provided for in I(C)(1) or (2), II(B)(2)(b), II(B)(4) (a) or (b) is debtor's best estimate of what was owed as of the date the petition was filed. The actual monthly mortgage payment and allowed pre-petition arrearage shall be determined by the claims filed, or by Court rulings at confirmation if the issue is raised by objection to confirmation, by rulings on objection(s) to the claim(s) filed, or by any ruling on any Motion filed under FRBP Bankruptcy Rule 3002.1.

(2) TIMING OF TRUSTEE DISBURSED PAYMENTS ON REAL PROPERTY THAT IS THE DEBTOR'S PRINCIPAL RESIDENCE AND ADMINISTRATIVE DELAY PAYMENTS.

If this plan provides that the Trustee is to be the disbursing agent on real property that is the debtor's principal residence, the Trustee shall pay all such payments due during the term of the plan as set forth in II(B)(2)(b), II(B)(4) (a) or (b) above, including any allowed post-petition charges incurred during the term of the plan that have been provided for by confirmed modified plans or by court order. This plan may provide that certain Trustee disbursed payments on real property that is the debtor's principal residence are recognized as "administrative delay payments." Plans that have Trustee disbursed payments on the real property that is the debtor's principal residence will reflect no more than three months of administrative delay payments. This delay is caused by the provisions contained in 11 U.S.C. §1326. The total number of all Trustee disbursed payments on real property that is the debtor's principal residence (including any administrative delay payments) shall at least be equal to the term of the Plan; however in some cases an additional month may be included.

(3) NOTICE RELATING TO CLAIMS SECURED BY SECURITY INTEREST IN DEBTOR'S PRINCIPAL RESIDENCE.

During the term of the plan and after completion the home mortgage creditor and/or mortgage holder and/or servicing entity shall continue to send to the debtor all notices, statements, or other written information that would have been mailed to the debtor but for the filing of the bankruptcy proceeding; however, demand letters are not permitted, AND any Change in Payments, Notices of Fees, Expenses, and Charges, and Determination of Fees, Expenses, or Charges shall be regulated and governed by Federal Rules of Bankruptcy Procedure, Rule 3002.1.

If the Trustee disburses the Home Mortgage Payments, then upon receipt of a timely Bankruptcy Rule 3002.1 (b) Notice of Payment Changes, the Trustee shall, if funding is adequate, adjust the Trustee disbursed payment in accordance with the proper notice, OR, if funding is inadequate, send a letter to the debtor and debtor's counsel indicating that Trustee will continue to disburse according to the last confirmed plan. Any action to dispute a Rule 3002.1 (b) Notice of Payment Change OR a Bankruptcy Rule 3002.1 (c) Notice of Fees, Expenses, and Charges under Bankruptcy Rule 3002.1 (e) or under any other basis, will be the responsibility of Debtor and Debtor's counsel. It is the obligation of the debtor and debtor's counsel to review and, if required, provide for any additional sums that may be due to a mortgage holder that are made known by way of a "Notice of Post Petition Fees, Expenses and Charges" pursuant to Bankruptcy Rule 3002.1 (c), and those sums will not be paid by the Trustee unless they are provided for by a confirmed modified plan or by order of the court. If Notice of Payment Change is properly given per Bankruptcy Rule 3002.1, failure of the debtor to take any action to stop the disbursement by the Trustee of the "payment change" will constitute a waiver by the debtor of any action against the Trustee for the disbursement of payments that may ultimately be found or determined to be incorrect or excessive.

(4) TRUSTEE'S RESPONSIBILITIES UNDER FRBP BANKRUPTCY RULE 3002.1 AND THIS PLAN.

The Trustee shall comply with Bankruptcy Rule 3002.1 and that compliance SHALL INCLUDE Notice per Bankruptcy Rule 3002.1 (f) regarding "Final Cure Payment" as provided for in II. (B)(4) of this Plan, AND the same Notice shall be given regarding "Final Payment" on any disbursement by Trustee per II. (B)(2)(b) and II. (B)(4) of this Plan of the regular payments on Debtor's Principal Residence per 11 U.S.C. §1322(b)(5). It shall be the responsibility of Debtor and Debtor's counsel to take any action authorized under Bankruptcy Rule 3002.1 (e) & (h), or to dispute any Notice of Payment Change under Bankruptcy Rule 3002.1 (b).

(5) APPLICATION OF PRE-PETITION ARREARS AND POST PETITION MORTGAGE PAYMENTS.

Under 11 U.S.C. §1322(b)(2), (3) & (5) the debtor's plan must and this Plan does provide for two distinct claims where real property that is debtor's principal residence is involved: (1) a Cure of Default Claim providing for the cure of defaults over a reasonable time—Plan Summary II. (B)(4)(a) & (b) ; and (2) a maintenance of Regular Payment Claim while the case is pending on a secured claim on which the last payment is due after the date on which the final payment under the plan is due--Plan Summary II.(B)(2)(b). Unless otherwise provided by the plan or ordered by the court, payments disbursed by the Trustee on the Cure of Default Claim to holders and/or servicers of mortgage claims shall be applied and credited only to the pre-petition or post-petition arrears necessary to cure the default, which shall consist of amounts listed on the allowed proof of claim or accruing after petition date and authorized by the note and security-agreement and applicable non-bankruptcy law. Payments disbursed on the post petition Regular Payment Claim to holders and/or servicers of mortgage claims whether disbursed by the debtor or by the Trustee shall be applied and credited to debtor's mortgage account in the order and priority specified in the note and security agreement and applicable non-bankruptcy law as if the account were current on the petition date and no pre-petition default existed. Post-petition mortgage payments made in a timely manner under the terms of this plan shall be applied and credited without penalty.

(C) MISCELLANEOUS OTHER PROVISIONS

(1) ADEQUATE PROTECTION PAYMENTS AND INSURANCE.

Beginning as soon as practicable upon the filing a a secured claim, if required—see III(A)(3), for a creditor identified in paragraph II(B)(1)(a), the Trustee shall make adequate protection payments which will usually equal 50% of a hypothetical monthly payment calculated by amortizing the amount to be paid to the creditor over the entire term of the plan. Adequate protection payments for a creditor identified in paragraph II(B)(1)(a), and if required for which an allowed secured claim has been filed, shall continue throughout the course of Trustee disbursements until the Total Payment amount on the creditor's secured claim provided for in II(B)(3)(a) and/or (b) has been paid. If a creditor receives Adequate Protection Payments, then the "Average Payment" shown under II(B)(3)(a) and/or (b) will be the amount shown, less the adequate protection payment paid in each disbursement. All adequate protection payments made shall be applied towards and deducted from the Total Payment amount. Nothing herein shall prohibit the Trustee from disbursing amounts in addition to the equal monthly installments from surplus funds consistent with the ranking provided in II(B). Additionally, the debtor will maintain full coverage insurance against all loss on the property or properties that the lien or mortgage attaches to, and the lien holder or mortgagee shall be shown as the loss payee to receive payment in the event of loss; however, if the collateral securing the obligation is a vehicle or other personal property with a value of less than \$3,500.00 or the underlying security agreement does not require the maintenance of insurance, the debtor will not be required to maintain full coverage insurance (this is not a waiver of any State law mandated insurance) against all losses on the property

or provide for monthly adequate protection payments, unless otherwise ordered to do so.

(2) LIQUIDATION VALUE TO BE PAID.

The value as of the effective date of this plan of the property to be distributed under the plan on account of each allowed unsecured claim is not less than the amount that would be paid on such claim if the estate of the debtor was liquidated under Chapter 7 on such date. Personal injury claims or other litigious rights which are not exempt and which exist at the time the case is commenced are 11 U.S.C. §541 property of the bankruptcy estate and must be considered for liquidation value purposes. If this plan does not specifically address such non-exempt pre-petition personal injury claims or other litigious rights such claims or rights may not be pursued or settled without approval of the United States Bankruptcy Court presiding over this case; and actions to the contrary may constitute grounds for prejudicial dismissal of the case, conversion of the case to a Chapter 7, loss of the claim or right and/or possible criminal prosecution.

(3) SPECIAL PROVISIONS FOR TAX AND/OR PRIORITY CLAIMANTS.

Debtor has been informed of the requirements set forth in:

- (a) 11 U.S.C. §521(e)(2)(A)(i) to provide to the Trustee not later than 7 days prior to the date first set for the meeting of creditors a copy of the Federal Income tax return or a transcript of such return for the most recent tax year ending immediately before the commencement of the case for which a Federal income tax return was filed.
- (b) 11 U.S.C. §521(j) to file all tax returns that become due after commencement of the case.
- (c) 11 U.S.C. §1308 to not later than the day before the date on which the meeting of creditors is first scheduled to file with appropriate tax authorities all tax returns for all taxable periods ending during the 4 year period ending on the date of the filing of the petition. That if this has not been done, then the Debtor will inform the Trustee of such non-compliance at the meeting of creditors and if valid cause exist then request the Trustee to “hold open” the creditors meeting for a period of time not to exceed the date first scheduled for the confirmation hearing on the first filed plan to allow the debtor to have prepared and filed all required returns, provide the Trustee proof of same, and amend the Plan to provide for all tax debts shown in such returns. That if such request is granted, then such meeting of creditors shall be “held open” until the date set by the Trustee.

Debtor has been informed that non-compliance with (a), (b) or (c) above can result in the case being dismissed or converted to a Chapter 7.

If priority claims are filed that exceed the estimated amount set forth in II(B)(5) & (6), Debtor will file an objection to such claims(s) and/or modify the plan to pay the claim(s) as filed. Nevertheless, any proof of Claim asserting a priority claim shall be deemed allowed and paid by the Trustee, even if the claim is not listed in the plan, unless and until a successful objection to the claim has been filed or the claim has been withdrawn. In the event the Trustee disburses on a priority claim not provided for in the plan, the Trustee shall disburse in the rank and order as if the claim was provided for in the applicable section of the plan. If the Trustee determines that the plan is not adequately funded because of the amount of a priority claim, the Trustee shall notify debtor and debtor’s counsel and debtor will either modify the plan accordingly and/or object to the claim.

(4) OBJECTION(S) TO PROOF(S) OF CLAIM.

Confirmation of this plan does not bar the debtor or any party in interest from objecting to a claim whether filed or not filed in accordance with Federal Bankruptcy Rules 3001, 3002, 3002.1, 3004, or 3005. Trustee shall consider all claims filed in the case Claims Register as allowed unless same are objected to and such objection(s) are sustained in whole or in part.

(5) CESSATION OF PAYMENTS WHEN AUTOMATIC STAY LIFTED OR WHEN PLAN FILED PROPOSING 11 U.S.C.1325(a)(5)(C) SURRENDER.

Unless ordered otherwise, the Trustee shall cease making disbursements to any secured creditor(s) that is secured by real or personal property that is §541 property of the estate after:

- (a) An order lifting the 11 U.S.C. §362(a) Automatic Stay on behalf of any recognized lien holder as to said property is entered and becomes final, or
- (b) Debtor files a modified plan that proposes to “surrender” pursuant to 11 U.S.C. §1325(a)(5)(C) such property to a creditor that has a security interest in same. The creditor may be entitled to continue receiving disbursements on previously provided for unsecured claims, unless a modification proposing to surrender the collateral is filed that would full satisfy all of such creditor’s claims. If a modification proposing to surrender the collateral is filed and ultimately confirmed that allows for a deficiency claim for the creditor, provided the property is liquidated in a manner which would otherwise allow the creditor to pursue against the debtor a deficiency claim absent a bankruptcy, an itemized proof of claim for any deficiency must be filed within one hundred twenty (120) days after the confirmation of the plan that proposed such “surrender” for the creditor to be allowed to participate in disbursements from the Trustee for debtor. *See Section III (A)(5).*

(6) RESERVATION AND RETENTION OF PRE & POST -PETITION CLAIMS.

Confirmation of this plan shall constitute a finding that the debtor does not waive, release or discharge but rather retains and reserves for himself and the bankruptcy estate any and all pre-petition claims and any and all post-petition claims that debtor could or might assert against any party or entity arising under or otherwise related to any state or federal statute or under state or federal consumer law including, but not limited to, fraud, misrepresentation, breach of contract, unfair and deceptive acts and practices, Retail Installment Sales Act violations, Truth In Lending violations, Home Equity Protection Act violations, Real Estate Settlement Protection Act violations, Fair Debt Collection Practices Act violations, Fair Credit Reporting Act violations, Equal Credit Opportunity Act violations, Fair Credit Billing Act violations, Consumer Leasing Act violations, Federal Garnishment Act violations, Electronic Funds Transfer Act violations, and any and all violations arising out of rights or claims provided for by Title 11 of the United States Code, by the Federal Rules of Bankruptcy Procedure, or by the Local Rules of this Court.

To the extent a claim or counter claim is known by the debtor, the debtor is aware of the duty to list such claims or counter claims in the schedules and statements filed with this bankruptcy. The debtor has been made aware of the duty to disclose any such claims or counter claims should they become known to the debtor after the original schedules and statements have been filed or they arise after such date and if they may be property of the bankruptcy estate. The legal doctrines of issue preclusion are not to be prejudiced by these reservations and if a contested matter arises and such issues are joined or such issues should be raised and/or joined and such claims or counter claims were not disclosed, then the debtor has been informed that such claims or counter claims may be lost under the legal doctrines of issue preclusion and that debtor may later be barred from raising or pursuing such claims or counter claims.

(7) PROPERTY OF ESTATE AND VESTING OF SAME IN DEBTOR AT CONFIRMATION.

The filing of the bankruptcy petition by the debtor acts as a transfer by the debtor to the bankruptcy estate of all property, assets, rights that have value and claims against others that have value that the debtor has as of the date of the filing of the bankruptcy petition. Except as otherwise provided in this Plan, the confirmation of this plan vests all property of the bankruptcy estate in the debtor; this vesting of property of the bankruptcy estate in the debtor does not eliminate the legal requirement of the debtor to obtain court order authority to sell, lease, mortgage property or settle claims of the bankruptcy estate

and absent such court order authority NO such sale, lease, mortgage or settlement of claims is permitted. If the Debtor listed in the filed schedules a personal injury or litigious claim and the last confirmed plan after such schedule was filed provided that 50% of the net recovery from any personal injury and litigious claims that are properly scheduled would be remitted to the Trustee, then confirmation of that Plan grants the Debtor and Trustee the right to settle such claim and disburse proceeds to the Trustee and Debtor without further authority from the Court.

(8) ESTIMATED TERM.

The number of months stated as the term of the plan is estimated. The actual term of the plan shall either be the stated number of months or the number of months necessary to allow the Trustee to pay all proposed Trustee disbursements, whichever occurs earlier. The proposed Trustee disbursements are those sums recognized in this plan including any additional sums required by III(C)(10). Notwithstanding the foregoing, the plan may not provide for payments over a period that is shorter than three (3) years unless it makes provisions for full payment of all allowed claims. The plan may not provide for payments over a period that is longer than five (5) years.

(9) AMOUNT TO BE PAID TO NON-PRIORITY UNSECURED CREDITORS (*See Sections II.(B)(8)*). The total amount to be disbursed by the Trustee pursuant to this plan to the entire non-priority unsecured creditor class (*See Section II.(B)(8)*) may be adjusted only as follows:

- (a) Unless otherwise specified, any additional sums to be remitted to the Chapter 13 Trustee in connection with I(B), or other orders of the court, shall result in an increase in the specific amounts to be disbursed by the Trustee to the non-priority unsecured creditor classes in II(B)(8); however, once received, those amounts shall be distributed consistent with the order of distribution set forth in the plan (*See Section II*).
- (b) Except as provided in III.(C)(10)(a) above, if, after payments of all Trustee disbursed Total Payment amounts set forth in Section II., excess funds are available prior to the 36th payment due date, the Trustee may disburse those sums to the non-priority unsecured II. (B)(8) Class 8 creditors consistent with the order of distribution in the plan (*See Section II*).
- (c) Minor adjustments to the total amount paid to the entire non-priority unsecured creditor class caused by good faith rounding or administrative errors of plus or minus (+ or -) \$250.00.
- (d) In below median income cases, if the total of all allowed arrearage amounts to be disbursed by the Trustee are less than the total of all amounts provided for in II(B)(4), or if the total of all allowed claims are less than the total of all amounts provided for in II(B)(3),(5), (6) & (7), and the 36th payment due date has elapsed, the Trustee may disburse the resulting additional sums to the non-priority unsecured creditors in class II(B)(8) consistent with the order of distributions forth in the plan (*See Section II*).
- (e) In above the median income cases, if the total of all allowed arrearage amounts to be disbursed by the Trustee are less than the total of all amounts provided for in II(B)(4), or if the total of all allowed claims are less than the total of all amounts provided for in II(B)(3),(5), (6) & (7), and the 60th payment due date has not elapsed, the Trustee may disburse the resulting additional sums to the non-priority unsecured creditors in class II(B)(8) consistent with the order of distribution set forth in the plan (*See Section II*).

IV. DEBTOR'S REQUEST & MOTION FOR VALUATION OF SECURITY PURSUANT TO 11 U.S.C. §506:

Under 11 U.S.C. §506(a) claims are secured claims to the extent of the value of the creditor's interest in the estate's interest in property, and such value shall be determined in light of the purpose of the valuation and of

EXHIBIT A

the proposed disposition or use of such property. 11 U.S.C. §506(a)(2) states the value of personal property securing an allowed claim shall be determined based on the replacement value of such property as of the date of the filing of the bankruptcy petition without deduction for costs of sale or marketing, and for property acquired for personal, family, or household purposes, replacement value shall mean the price a retail merchant would charge for property of that kind considering the age and condition of the property at the time value is determined. Under Bankruptcy Rule 3012 the court may determine the value of a claim secured by a lien on property in which the estate has an interest by motion of any party in interest and after a hearing on notice to the holder of the secured claim. The debtor's plan sets forth values for the creditor's interest in the estate's/debtor's interest in specific properties. The debtor requests that this Court value the collateral of each of the creditors at the collateral value stated in part (II)(B)(3(b) of the debtor's plan of repayment. To the extent that the amount of the debt of any such creditor exceeds the stated collateral value, the debtor requests this Court order the difference be treated in the chapter 13 plan as an unsecured claim without priority. The debtor further requests the Court order the lien of each creditor listed be satisfied upon payment of the collateral value and the issuance of the debtor's discharge.

(1) (☒) COUNSEL ELECTS THE "NO LOOK FEE."

Counsel for Debtor(s) hereby makes the "No Look" election provided for in **UNIFORM FEE ORDER** and hereby agrees to perform all pre-confirmation and post confirmation services set forth in same for a monetary sum not to exceed \$2800. III. GENERAL PLAN PROVISIONS:

(A) ALL SECURED CLAIMS

NOTICE: Objections to secured claims (*See - Section IV*) Any opposition or response to the bifurcation of the Claim as set forth herein must be filed within seven (7) days prior to the hearing on this objection and confirmation hearing. If an opposition or response is timely filed, a hearing will be held on this objection to the claim at the same time, date, and place as the confirmation hearing on this Plan.

(1) PLAN VALUATION IS AN OBJECTION TO CLAIM.

To the extent that this plan values collateral less than the full amount due to the secured creditor, this plan includes an objection to said claim for the purpose of determining the amount of the allowed secured claim and determining the remaining allowed unsecured claim. *See Section (IV), infra.*

(2) BIFURCATION OF CLAIMS FILED AS “SECURED”.

To the extent that there exists an allowed unsecured portion of a claim otherwise filed as secured, such unsecured amount shall be treated as a non-priority unsecured claim and paid *pro rata* with other non-priority unsecured claims.

(3) CERTAIN CREDITORS TO BE PAID EVEN IF NO APPEARANCE MADE.

Unless otherwise specified or ordered by the court, any claim listed as secured in an amount greater than \$3,500.00 shall be paid by the Trustee according to the terms of this plan without the necessity of such creditor filing a proof of claim, objection, or otherwise making an appearance before the court, provided adequate information to make the distribution has been provided to the Trustee. Unless otherwise specified or ordered by the court, the Trustee: (i) shall not disburse to any secured creditor with a claim in the amount of \$3,500.00 or less unless a claim is filed; and (ii) shall not disburse to any unsecured priority claim creditors or general unsecured creditors pursuant to the terms of this plan unless a claim is filed.

(4) ALLOWED SECURED CREDITORS RETAIN RIGHTS.

All regular monthly home mortgage payments will be paid either by the Trustee or directly by the debtor. Unless otherwise stated, these payments will only maintain the home mortgage payments during the term of the plan and the obligation and security on the same shall survive the bankruptcy, subject to any payments made. Any creditor secured only by a security interest in the real property that is the debtor's principal residence shall retain all rights granted to it under its mortgage or security agreement except that any prior default shall be cured as set forth in this plan. The holder of a claim Secured by Movable Property or Real Estate where 11 U.S.C. §1322(b)(2) is not applicable, which is provided for in this plan, shall not receive more than the pre-computed sum in the Total Payment column. Nothing herein will prohibit the debtor from prepaying the claim without penalty provided the interest accrued on the “PMSI Amount” or “Value/Claim Amount” is calculated on a simple interest basis. The holder of an allowed secured claim (other than a home mortgage claim) shall retain the lien securing its claim until the earlier of payment of the underlying debt determined under nonbankruptcy law or discharge under 11 U.S.C. §1328. With respect to each allowed secured claim provided for under Section II. (B)(3) of the plan and where the full Total Payment amounts have been paid, the entry of a discharge under 11 U.S.C. §1328(a) shall entitle the debtor to obtain an order by *ex parte* motion directing the holder of such claim to cancel the lien and turn over the title to the debtor.

(5) SURRENDER OF COLLATERAL OR REJECTION OF EXECUTORY CONTRACT LIFTS STAY.

To the extent that this plan proposes surrender of collateral or rejection of an executory contract, upon confirmation of the plan, debtor agrees that the 11 U.S.C. §362 automatic stay be lifted as to these items,

to allow any creditor holding a security interest in the items to pursue its rights to the collateral. Unless otherwise provided herein, any surrender shall be deemed in full satisfaction of the secured claim, determined by the actual claim filed or if same is inconclusive by the value set on such property in the schedules filed by Debtor. Nothing herein is intended to abrogate debtor's or creditor's state law contract rights. If a creditor prevails in maintaining the right for an unsecured deficiency claim, nothing herein shall release any creditor from complying with all applicable state and federal laws.

(B) CLAIMS SECURED BY REAL ESTATE

(1) STATED MONTHLY PAYMENT & PRE-PETITION ARREARAGE IS ESTIMATED.

Any monthly payment or arrearage amount provided for in I(C)(1) or (2), II(B)(2)(b), II(B)(4) (a) or (b) is debtor's best estimate of what was owed as of the date the petition was filed. The actual monthly mortgage payment and allowed pre-petition arrearage shall be determined by the claims filed, or by Court rulings at confirmation if the issue is raised by objection to confirmation, by rulings on objection(s) to the claim(s) filed, or by any ruling on any Motion filed under FRBP Bankruptcy Rule 3002.1.

(2) TIMING OF TRUSTEE DISBURSED PAYMENTS ON REAL PROPERTY THAT IS THE DEBTOR'S PRINCIPAL RESIDENCE AND ADMINISTRATIVE DELAY PAYMENTS.

If this plan provides that the Trustee is to be the disbursing agent on real property that is the debtor's principal residence, the Trustee shall pay all such payments due during the term of the plan as set forth in II(B)(2)(b), II(B)(4) (a) or (b) above, including any allowed post-petition charges incurred during the term of the plan that have been provided for by confirmed modified plans or by court order. This plan may provide that certain Trustee disbursed payments on real property that is the debtor's principal residence are recognized as "administrative delay payments." Plans that have Trustee disbursed payments on the real property that is the debtor's principal residence will reflect no more than three months of administrative delay payments. This delay is caused by the provisions contained in 11 U.S.C. §1326. The total number of all Trustee disbursed payments on real property that is the debtor's principal residence (including any administrative delay payments) shall at least be equal to the term of the Plan; however in some cases an additional month may be included.

(3) NOTICE RELATING TO CLAIMS SECURED BY SECURITY INTEREST IN DEBTOR'S PRINCIPAL RESIDENCE.

During the term of the plan and after completion the home mortgage creditor and/or mortgage holder and/or servicing entity shall continue to send to the debtor all notices, statements, or other written information that would have been mailed to the debtor but for the filing of the bankruptcy proceeding; however, demand letters are not permitted, AND any Change in Payments, Notices of Fees, Expenses, and Charges, and Determination of Fees, Expenses, or Charges shall be regulated and governed by Federal Rules of Bankruptcy Procedure, Rule 3002.1.

If the Trustee disburses the Home Mortgage Payments, then upon receipt of a timely Bankruptcy Rule 3002.1 (b) Notice of Payment Changes, the Trustee shall, if funding is adequate, adjust the Trustee disbursed payment in accordance with the proper notice, OR, if funding is inadequate, send a letter to the debtor and debtor's counsel indicating that Trustee will continue to disburse according to the last confirmed plan. Any action to dispute a Rule 3002.1 (b) Notice of Payment Change OR a Bankruptcy Rule 3002.1 (c) Notice of Fees, Expenses, and Charges under Bankruptcy Rule 3002.1 (e) or under any other basis, will be the responsibility of Debtor and Debtor's counsel. It is the obligation of the debtor and debtor's counsel to review and, if required, provide for any additional sums that may be due to a mortgage holder that are made known by way of a "Notice of Post Petition Fees, Expenses and Charges" pursuant to Bankruptcy Rule 3002.1 (c), and those sums will not be paid by the Trustee unless they are

provided for by a confirmed modified plan or by order of the court. If Notice of Payment Change is properly given per Bankruptcy Rule 3002.1, failure of the debtor to take any action to stop the disbursement by the Trustee of the “payment change” will constitute a waiver by the debtor of any action against the Trustee for the disbursement of payments that may ultimately be found or determined to be incorrect or excessive.

(4) TRUSTEE’S RESPONSIBILITIES UNDER FRBP BANKRUPTCY RULE 3002.1 AND THIS PLAN.

The Trustee shall comply with Bankruptcy Rule 3002.1 and that compliance SHALL INCLUDE Notice per Bankruptcy Rule 3002.1 (f) regarding “Final Cure Payment” as provided for in II. (B)(4) of this Plan, AND the same Notice shall be given regarding “Final Payment” on any disbursement by Trustee per II. (B)(2)(b) and II. (B)(4) of this Plan of the regular payments on Debtor’s Principal Residence per 11 U.S.C. §1322(b)(5). It shall be the responsibility of Debtor and Debtor’s counsel to take any action authorized under Bankruptcy Rule 3002.1 (e) & (h), or to dispute any Notice of Payment Change under Bankruptcy Rule 3002.1 (b).

(5) APPLICATION OF PRE-PETITION ARREARS AND POST PETITION MORTGAGE PAYMENTS.

Under 11 U.S.C. §1322(b)(2), (3) & (5) the debtor’s plan must and this Plan does provide for two distinct claims where real property that is debtor’s principal residence is involved: (1) a Cure of Default Claim providing for the cure of defaults over a reasonable time—Plan Summary II. (B)(4)(a) & (b) ; and (2) a maintenance of Regular Payment Claim while the case is pending on a secured claim on which the last payment is due after the date on which the final payment under the plan is due--Plan Summary II.(B)(2)(b). Unless otherwise provided by the plan or ordered by the court, payments disbursed by the Trustee on the Cure of Default Claim to holders and/or servicers of mortgage claims shall be applied and credited only to the pre-petition or post-petition arrear necessary to cure the default, which shall consist of amounts listed on the allowed proof of claim or accruing after petition date and authorized by the note and security-agreement and applicable non-bankruptcy law. Payments disbursed on the post petition Regular Payment Claim to holders and/or servicers of mortgage claims whether disbursed by the debtor or by the Trustee shall be applied and credited to debtor’s mortgage account in the order and priority specified in the note and security agreement and applicable non-bankruptcy law as if the account were current on the petition date and no pre-petition default existed. Post-petition mortgage payments made in a timely manner under the terms of this plan shall be applied and credited without penalty.

(C) MISCELLANEOUS OTHER PROVISIONS

(1) ADEQUATE PROTECTION PAYMENTS AND INSURANCE.

Beginning as soon as practicable upon the filing a a secured claim, if required—see III(A)(3), for a creditor identified in paragraph II(B)(1)(a), the Trustee shall make adequate protection payments which will usually equal 50% of a hypothetical monthly payment calculated by amortizing the amount to be paid to the creditor over the entire term of the plan. Adequate protection payments for a creditor identified in paragraph II(B)(1)(a), and if required for which an allowed secured claim has been filed, shall continue throughout the course of Trustee disbursements until the Total Payment amount on the creditor’s secured claim provided for in II(B)(3)(a) and/or (b) has been paid. If a creditor receives Adequate Protection Payments, then the “Average Payment” shown under II(B)(3)(a) and/or (b) will be the amount shown, less the adequate protection payment paid in each disbursement. All adequate protection payments made shall be applied towards and deducted from the Total Payment amount. Nothing herein shall prohibit the Trustee from disbursing amounts in addition to the equal monthly

installments from surplus funds consistent with the ranking provided in II(B). Additionally, the debtor will maintain full coverage insurance against all loss on the property or properties that the lien or mortgage attaches to, and the lien holder or mortgagee shall be shown as the loss payee to receive payment in the event of loss; however, if the collateral securing the obligation is a vehicle or other personal property with a value of less than \$3,500.00 or the underlying security agreement does not require the maintenance of insurance, the debtor will not be required to maintain full coverage insurance (this is not a waiver of any State law mandated insurance) against all losses on the property or provide for monthly adequate protection payments, unless otherwise ordered to do so.

(2) LIQUIDATION VALUE TO BE PAID.

The value as of the effective date of this plan of the property to be distributed under the plan on account of each allowed unsecured claim is not less than the amount that would be paid on such claim if the estate of the debtor was liquidated under Chapter 7 on such date. Personal injury claims or other litigious rights which are not exempt and which exist at the time the case is commenced are 11 U.S.C. §541 property of the bankruptcy estate and must be considered for liquidation value purposes. If this plan does not specifically address such non-exempt pre-petition personal injury claims or other litigious rights such claims or rights may not be pursued or settled without approval of the United States Bankruptcy Court presiding over this case; and actions to the contrary may constitute grounds for prejudicial dismissal of the case, conversion of the case to a Chapter 7, loss of the claim or right and/or possible criminal prosecution.

(3) SPECIAL PROVISIONS FOR TAX AND/OR PRIORITY CLAIMANTS.

Debtor has been informed of the requirements set forth in:

- (a) 11 U.S.C. §521(e)(2)(A)(i) to provide to the Trustee not later than 7 days prior to the date first set for the meeting of creditors a copy of the Federal Income tax return or a transcript of such return for the most recent tax year ending immediately before the commencement of the case for which a Federal income tax return was filed.
- (b) 11 U.S.C. §521(j) to file all tax returns that become due after commencement of the case.
- (c) 11 U.S.C. §1308 to not later than the day before the date on which the meeting of creditors is first scheduled to file with appropriate tax authorities all tax returns for all taxable periods ending during the 4 year period ending on the date of the filing of the petition. That if this has not been done, then the Debtor will inform the Trustee of such non-compliance at the meeting of creditors and if valid cause exist then request the Trustee to “hold open” the creditors meeting for a period of time not to exceed the date first scheduled for the confirmation hearing on the first filed plan to allow the debtor to have prepared and filed all required returns, provide the Trustee proof of same, and amend the Plan to provide for all tax debts shown in such returns. That if such request is granted, then such meeting of creditors shall be “held open” until the date set by the Trustee.

Debtor has been informed that non-compliance with (a), (b) or (c) above can result in the case being dismissed or converted to a Chapter 7.

If priority claims are filed that exceed the estimated amount set forth in II(B)(5) & (6), Debtor will file an objection to such claims(s) and/or modify the plan to pay the claim(s) as filed. Nevertheless, any proof of Claim asserting a priority claim shall be deemed allowed and paid by the Trustee, even if the claim is not listed in the plan, unless and until a successful objection to the claim has been filed or the claim has been withdrawn. In the event the Trustee disburses on a priority claim not provided for in the plan, the Trustee shall disburse in the rank and order as if the claim was provided for in the

applicable section of the plan. If the Trustee determines that the plan is not adequately funded because of the amount of a priority claim, the Trustee shall notify debtor and debtor's counsel and debtor will either modify the plan accordingly and/or object to the claim.

(4) OBJECTION(S) TO PROOF(S) OF CLAIM.

Confirmation of this plan does not bar the debtor or any party in interest from objecting to a claim whether filed or not filed in accordance with Federal Bankruptcy Rules 3001, 3002, 3002.1, 3004, or 3005. Trustee shall consider all claims filed in the case Claims Register as allowed unless same are objected to and such objection(s) are sustained in whole or in part.

(5) CESSATION OF PAYMENTS WHEN AUTOMATIC STAY LIFTED OR WHEN PLAN FILED PROPOSING 11 U.S.C.1325(a)(5)(C) SURRENDER.

Unless ordered otherwise, the Trustee shall cease making disbursements to any secured creditor(s) that is secured by real or personal property that is §541 property of the estate after:

- (a) An order lifting the 11 U.S.C. §362(a) Automatic Stay on behalf of any recognized lien holder as to said property is entered and becomes final, or
- (b) Debtor files a modified plan that proposes to "surrender" pursuant to 11 U.S.C. §1325(a)(5)(C) such property to a creditor that has a security interest in same. The creditor may be entitled to continue receiving disbursements on previously provided for unsecured claims, unless a modification proposing to surrender the collateral is filed that would full satisfy all of such creditor's claims. If a modification proposing to surrender the collateral is filed and ultimately confirmed that allows for a deficiency claim for the creditor, provided the property is liquidated in a manner which would otherwise allow the creditor to pursue against the debtor a deficiency claim absent a bankruptcy, an itemized proof of claim for any deficiency must be filed within one hundred twenty (120) days after the confirmation of the plan that proposed such "surrender" for the creditor to be allowed to participate in disbursements from the Trustee for debtor. *See Section III (A)(5).*

(6) RESERVATION AND RETENTION OF PRE & POST -PETITION CLAIMS.

Confirmation of this plan shall constitute a finding that the debtor does not waive, release or discharge but rather retains and reserves for himself and the bankruptcy estate any and all pre-petition claims and any and all post-petition claims that debtor could or might assert against any party or entity arising under or otherwise related to any state or federal statute or under state or federal consumer law including, but not limited to, fraud, misrepresentation, breach of contract, unfair and deceptive acts and practices, Retail Installment Sales Act violations, Truth In Lending violations, Home Equity Protection Act violations, Real Estate Settlement Protection Act violations, Fair Debt Collection Practices Act violations, Fair Credit Reporting Act violations, Equal Credit Opportunity Act violations, Fair Credit Billing Act violations, Consumer Leasing Act violations, Federal Garnishment Act violations, Electronic Funds Transfer Act violations, and any and all violations arising out of rights or claims provided for by Title 11 of the United States Code, by the Federal Rules of Bankruptcy Procedure, or by the Local Rules of this Court.

To the extent a claim or counter claim is known by the debtor, the debtor is aware of the duty to list such claims or counter claims in the schedules and statements filed with this bankruptcy. The debtor has been made aware of the duty to disclose any such claims or counter claims should they become known to the debtor after the original schedules and statements have been filed or they arise after such date and if they may be property of the bankruptcy estate. The legal doctrines of issue preclusion are not to be prejudiced by these reservations and if a contested matter arises and such issues are joined or such issues should be raised and/or joined and such claims or counter claims were not disclosed, then the

debtor has been informed that such claims our counter claims may be lost under the legal doctrines of issue preclusion and that debtor may later be barred from raising or pursuing such claims or counter claims.

(7) PROPERTY OF ESTATE AND VESTING OF SAME IN DEBTOR AT CONFIRMATION.

The filing of the bankruptcy petition by the debtor acts as a transfer by the debtor to the bankruptcy estate of all property, assets, rights that have value and claims against others that have value that the debtor has as of the date of the filing of the bankruptcy petition. Except as otherwise provided in this Plan, the confirmation of this plan vests all property of the bankruptcy estate in the debtor; this vesting of property of the bankruptcy estate in the debtor does not eliminate the legal requirement of the debtor to obtain court order authority to sell, lease, mortgage property or settle claims of the bankruptcy estate and absent such court order authority NO such sale, lease, mortgage or settlement of claims is permitted. If the Debtor listed in the filed schedules a personal injury or litigious claim and the last confirmed plan after such schedule was filed provided that 50% of the net recovery from any personal injury and litigious claims that are properly scheduled would be remitted to the Trustee, then confirmation of that Plan grants the Debtor and Trustee the right to settle such claim and disburse proceeds to the Trustee and Debtor without further authority from the Court.

(8) ESTIMATED TERM.

The number of months stated as the term of the plan is estimated. The actual term of the plan shall either be the stated number of months or the number of months necessary to allow the Trustee to pay all proposed Trustee disbursements, whichever occurs earlier. The proposed Trustee disbursements are those sums recognized in this plan including any additional sums required by III(C)(10). Notwithstanding the foregoing, the plan may not provide for payments over a period that is shorter than three (3) years unless it makes provisions for full payment of all allowed claims. The plan may not provide for payments over a period that is longer than five (5) years.

(9) AMOUNT TO BE PAID TO NON-PRIORITY UNSECURED CREDITORS (See Sections II.(B)(8)).

The total amount to be disbursed by the Trustee pursuant to this plan to the entire non-priority unsecured creditor class (See Section II.(B)(8)) may be adjusted only as follows:

- (a) Unless otherwise specified, any additional sums to be remitted to the Chapter 13 Trustee in connection with I(B), or other orders of the court, shall result in an increase in the specific amounts to be disbursed by the Trustee to the non-priority unsecured creditor classes in II(B)(8); however, once received, those amounts shall be distributed consistent with the order of distribution set forth in the plan (See Section II).
- (b) Except as provided in III.(C)(10)(a) above, if, after payments of all Trustee disbursed Total Payment amounts set forth in Section II., excess funds are available prior to the 36th payment due date, the Trustee may disburse those sums to the non-priority unsecured II. (B)(8) Class 8 creditors consistent with the order of distribution in the plan (See Section II).
- (c) Minor adjustments to the total amount paid to the entire non-priority unsecured creditor class caused by good faith rounding or administrative errors of plus or minus (+ or -) \$250.00.
- (d) In below median income cases, if the total of all allowed arrearage amounts to be disbursed by the Trustee are less than the total of all amounts provided for in II(B)(4), or if the total of all allowed claims are less than the total of all amounts provided for in II(B)(3),(5), (6) & (7), and the 36th payment due date has elapsed, the Trustee may disburse the resulting additional sums to the non-priority unsecured creditors in class II(B)(8) consistent with the order of distributions forth in

the plan (*See Section II*).

- (e) In above the median income cases, if the total of all allowed arrearage amounts to be disbursed by the Trustee are less than the total of all amounts provided for in II(B)(4), or if the total of all allowed claims are less than the total of all amounts provided for in II(B)(3),(5), (6) & (7), and the 60th payment due date has not elapsed, the Trustee may disburse the resulting additional sums to the non-priority unsecured creditors in class II(B)(8) consistent with the order of distribution set forth in the plan (*See Section II*).

IV. DEBTOR'S REQUEST & MOTION FOR VALUATION OF SECURITY PURSUANT TO 11 U.S.C. §506:

Under 11 U.S.C. §506(a) claims are secured claims to the extent of the value of the creditor's interest in the estate's interest in property, and such value shall be determined in light of the purpose of the valuation and of the proposed disposition or use of such property. 11 U.S.C. §506(a)(2) states the value of personal property securing an allowed claim shall be determined based on the replacement value of such property as of the date of the filing of the bankruptcy petition without deduction for costs of sale or marketing, and for property acquired for personal, family, or household purposes, replacement value shall mean the price a retail merchant would charge for property of that kind considering the age and condition of the property at the time value is determined. Under Bankruptcy Rule 3012 the court may determine the value of a claim secured by a lien on property in which the estate has an interest by motion of any party in interest and after a hearing on notice to the holder of the secured claim. The debtor's plan sets forth values for the creditor's interest in the estate's/debtor's interest in specific properties. The debtor requests that this Court value the collateral of each of the creditors at the collateral value stated in part (II)(B)(3(b) of the debtor's plan of repayment. To the extent that the amount of the debt of any such creditor exceeds the stated collateral value, the debtor requests this Court order the difference be treated in the chapter 13 plan as an unsecured claim without priority. The debtor further requests the Court order the lien of each creditor listed be satisfied upon payment of the collateral value and the issuance of the debtor's discharge.
